Dear Mr Thurley

Re: Battle of Fulford

Fulford Parish Council is writing to you in connection with the impending decision whether to register the site of the Battle of Fulford on English Heritage's register of historic battlefields.

We note that the initial consultation report on the site was sent to interested parties during the middle of June 2012 and the Parish Council would be very grateful if you could provide some indication as to when English Heritage expects to announce its decision.

As you will be aware, there are planning applications currently under consideration by City of York Council for which the Battle of Fulford is an important material consideration. The Parish Council would therefore expect these applications to be determined in the fullest knowledge of the site's historic and cultural value, which would be confirmed by its registration.

We look forward to hearing from you.

Yours sincerely

J M Fletcher
