

York Learning Summer Festival

Not everything is open this summer holiday, but York Learning is! Our Summer Festival has some wonderful things for families to enjoy. Get into the summer vibe with our friendly, free or affordable online workshops. Family fun guaranteed!

Face Painting & Festival Looks For Face and Hair

Recreate some festival fun in your living room or garden with our Family Fun: Face Painting and Festival looks for hair and make-up. Get the kids to choose a playlist for the event.

Yummy food!

Prepare the perfect picnic, learn how to make a killer BBQ or join us to make a mouth-watering curry online with our fabulous cooking tutor.

Getting Ready For School

Support your children's learning with our free Fun with Phonics and Numbers workshops! Be prepared by attending our free short Getting Ready for School course. Whether your child is starting school, or has had their first year interrupted by lockdown, you'll get invaluable tips to help your child with this big and exciting step in their lives.

Adult Skills

Find out about our free GCSE English classes. Our supportive tutors run small, friendly classes so you get the qualification you need to advance your work opportunities! If you're hoping to volunteer in schools or in the community working with families, our free Information Advice and Guidance for Working with Families taster is for you.

Free Mask Making Workshops

We're offering free mask making workshops – you can make one for the kids too. Get them to choose their own fabric!
