Dear Mrs Robinson,

Consultation: Application for full planning permission for the erection of 14 residential dwellings with associated garages and infrastructure at Germany Beck, East of Fordlands Road, Fulford, York.

I write on behalf of Persimmon Homes to invite any comments that you may have on our proposed changes to the development site at Germany Beck.

As you will be aware, Persimmon Homes is currently implementing an existing planning permission and constructing over 650 new homes on the site. The company will shortly be submitting an application seeking full planning permission to re-plan a small part of the first phase of the site.

The proposal is to increase the number of homes from 12 to 14 (an increase of two) and the proposal is shown on the attached leaflet.

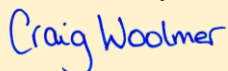

Comments are invited until Friday 30th October, 2020 and can be made in writing addressed to:

Planning Team,

Alternatively, you can make comments via email: yorkshire.land@persimmonhomes.com.

Please do not hesitate to contact me should you require any further information.

Yours sincerely,

Craig Woolmer MRTPI
