

Climate & Ecological Emergency Action Group

Zoom meeting on Thursday 22nd July at 6.30pm

Are you concerned about climate change and the environment?

Would you like to get together with other people to tackle some of the issues at a local level? If so, please come to this meeting.

Fulford Parish Council has declared a Climate and Ecological Emergency and this meeting is for local people to meet to talk about what matters to us and what to do in the area of Fulford. The goal is to form a group or groups of like-minded people who can get things done together.

Examples range from how to increase wildlife in our gardens or create hedgehog highways, to big ideas, like whole streets powered by solar. Could Fulford have a Repair Café or a tool library, so that we can share our resources to save the world's resources and our money?

Take a look at the Parish Council's Strategy which can be found here

<https://www.fulfordparishcouncil.org.uk/uploads/attachment/519/fulford-climate-and-ecological-emergency-vision-and-strategy.pdf> and see which interest you.

Or bring your own ideas!

If you want to attend, register here https://docs.google.com/forms/d/e/1FAIpQLSeFk6HcWCin-0IQDqISM_R8u49JsDdLXX1VP3jhEA0ayNDLzw/viewform?usp=sf_link. If you can't make the time or date, but would like to get involved, please let us know by emailing clerk@fulfordpc.org.uk and we'll make another arrangement to share ideas.
